### JOURNEY TO LIBERIA December 27, 2022 - January 6, 2023 Summertime

Harmony Club students at University High School San Francisco, California will embark on a educational and cultural enrichment tour to Monrovia, Liberia, West Africa. As part of an independent study, student Rohan Hartigan, with the help of his advisor and Physics teacher, Tim Sanders launched the program in the Fall 2022. Students will immerse themselves into all aspects of the daily life and Liberian culture. They will visit several cultural and historical sites, local schools holiday activities and sporting events. Students organized fundraising activities in order to raise money for their trip and to donate school supplies to kids in need. We hope this travel and study program will become a yearly event.
