

GHANA: PROJECT KIKS CONDUCTS ANNUAL FOOD DISTRIBUTION

On, June 15, 2022, Country Director, Abraham JAGBA procured, and delivered foodstuffs, including bags of corn and cooking oil to the villagers of Bun Bong, located in Yendi providence, Northern, Ghana.

Our goal is to minimize the incidents of hunger and starvation, as well as support families during the farming season. Beneficiaries commended Project KIKS, stating that, "It has become an alternative source of livelihood, which supports us against seeking alms on the street."
